Cllr Christine Cooke

Cllr Christine Durrant

Cllr Carol Runciman

Cllr Audrey Steel

Cllr J Whitehead

Parish Council Office

Our office is rented from the Education Authority and is situated in New Earswick Primary School. Access is only required by the Parish Clerk as the monthly meetings are held in the Folk Hall (for a fee, as the school is not open in the evenings) but the clerk has a workable space to perform her duties. The school has also kindly offered a space for the Finance meetings.

Finance

The precept for 2024-2025 was set at £28,000. This sum was arrived at by looking at the expected expenditure for the forthcoming year and taking into account the reserves of the Council. Each year the accounts are examined at an independent internal audit and then passed to the external auditors. There will be a new auditor this year and the procedure involves far more use of the electronic process. The accounts are available for inspection by prior arrangement with the Clerk. The Finance Committee of the Council meets regularly and ensures any recommendations made by the auditors are carried out.

Grants

During each financial year, Parish Councils are able to offer grants. If your organisation would like to be considered for financial support, please contact the Clerk for an application form or download one from our website. This year grants totalling £10,580 have been awarded. Organisations including

Mindfulness Minds, New Earswick Sports and Social Club, The British Legion, and York Masters Boxing Club have received support.

Environment

The Parish Council assets (Grit Bins, Bus Shelters and benches) have been checked as fit for purpose. Some maintenance work is due, the grit bins have been emptied of rubbish and the salt/grit re ground to be useable. Thanks to CAN and JRHT gardening team for these actions. The damage to the paintwork on the bus shelter near to the Folk Hall remains and COYC are looking at a remedy. The Rowan avenue bus shelter has been vandalised and needs work, the Clerk continues in the quest to find someone willing to address the maintenance of the NEPC assets. Initial contact with the Clerk is advised to highlight any issues for referral to the Trust or COYC.

Policing

The Parish Council receives a monthly update approximately, relating to incidents and the initiatives that are being undertaken by the Police. In addition there are police attending our meetings when possible. The PCSOs have attended several meetings during this year to introduce new members of their team or offer advice on the current situation. They continue to work with Councillors in the Folk Hall to hold an open morning for any residents with concerns and to also offer crime prevention advice to residents and property marking schemes. Vandalism and anti social behaviour are still a priority, various assets of the Parish Council have been repeatedly damaged. However the village of New Earswick appears to be a relatively low crime area; however should contact with the police be required the details are listed below:

To make contact: - Telephone 101 or you can email:- yorknpt@northyorkshire.police.uk

Consultation/Community

The Parish Council is consulted by COYC on planning applications for properties within the Parish. The Parish Council also responds to COYC and other organisations regarding policies and proposals that concern the Parish. The majority of requests relate to tree works in the Parish. A new Local Plan has been adopted by COYC for the future development of housing.

Planning applications have been considered including:

'The Old School Field' for 117 dwellings.

Acacia Avenue, for 6 dwellings.

Ivy Place – 5 dwellings.

Hawthorn Terrace – 5 dwellings.

Garthway – 14 dwellings.

All are pending approval by COYC and the Parish Council has discussed and responded to all of these.

There have been requests for support from several residents in the village relating to issues with plans for a new zebra crossing, the current discussion on the 20 mph limit, ASBO and difficult neighbours. These have all been noted and responded to by individual Parish Councillors, by communicating with JRHT, often via COYC councillors and LAC (Local Area Coordinators).

Meetings

Parish Council meetings have continued to take place in the Folk Hall since the office move and all residents are welcome to attend. These are held every third Monday in the month (except December) commencing at 19.00 hours at the Folk Hall. Agendas and minutes from meetings are displayed on the Parish notice board and are available on the Parish Council web site.
